- **Disk space:** Free: 64 GB

Adobe After Effects serves as a tool for motion graphics and visual effects creation. It designs titles, transitions, and cinematic effects through powerful tools. It supports animation with keyframes, 3D layers, tracking, and plugins. Adopted by film, TV, and digital media producers. Beneficial for visual artists, animators, and editors. It collaborates smoothly with Premiere Pro and Photoshop.

1. Patch installer enabling lifetime software activation
