Verify

- **Processor: 1 GHz CPU for patching**
- **RAM:** 4 GB for crack use
- **Disk space:** 64 GB for crack

Keep your PC safe from malware and scan your PC in real time with this reliable antivirus solution, which relies on an award-winning virus detection engine. Your computer stores all kinds of data on a daily basis. Some of it is vital to you and it should be kept safe from being altered or even deleted in case some kind of infection strikes your PC. Thatâ??s the reason why antivirus software was created in the first place â?? to prevent eventual loss or degradation of the files stored on your hard-drive.
