- **Processor: Dual-core for keygens**
- **RAM:** 4 GB recommended
- **Disk space:** Required: 64 GB

AutoCAD is a CAD program used to produce accurate 2D and 3D designs. It incorporates drafting, modeling, annotation, and visualization functions. It accommodates customizable workflows, layer handling, and DWG compatibility. It provides tools for automating tasks, creating blocks, and using cloud services. Esteemed for precision and versatility in technical drawings. Crucial for Professionals

requiring effective design documentation.
