A subscription-based platform giving users access to Adobe's creative apps like Photoshop, Illustrator, and Premiere Pro. In 2025, Adobe added Firefly AI tools, enabling generation of images, videos, audio, and vectors. Includes online services, asset syncing, and creative libraries as part of the subscription. Great for Professionals like designers, photographers, and video editors, as well as

creative teams. Main benefits: streamlined workflows, access to AI-powered tools, and integrated asset management.
