Verify

- **Processor: Dual-core CPU for activator**
- **RAM:** 4 GB for keygen
- **Disk space:** 64 GB for crack

Convert older document files to modern version while processing these in batches, quickly and easily without any issues or problems. It might seem like a trivial task, converting DOC files to the much newer DOCX, when in fact for some it might prove to be a lifesaver and even more so when using a dedicated application such as Batch DOC and DOCX Converter, which makes life easier in situations where you

have to process hundreds or thousands of files, each in the same exact manner.
