Immersive Lunar Odyssey Awaits

In a world where technology has long since abandoned the moon, a lone astronaut must safeguard a young girl named Diana from the perils of a ravaged, mechanical landscape. The once-thriving colony now teeters on the brink of collapse, its crumbling infrastructure a testament to the transience of human ingenuity. Amidst this desolate backdrop, our protagonist must navigate treacherous terrain, outmaneuver hostile robots, and confront the unknown. As Diana’s protector, the fate of this fragile,

lunar ecosystem rests squarely on your shoulders. The journey will be fraught with danger, but also filled with moments of unexpected beauty and camaraderie.
