Verify

- Processor: Dual-core for keygens
- RAM: 4 GB for keygen
- Disk space: 64 GB for install

A system utility designed to remove unnecessary files, fix registry errors, and manage startup applications. Cleans cache, temp files, browser history, restore points, duplicates, and more. CCleaner provides a registry cleaner, program uninstaller, and free space eraser. Ideal for anyone looking to clean their PC and improve overall system performance. Past malware problems have been resolved, and the latest versions of CCleaner are safe if updated regularly.
