- **RAM:** At least 4 GB
- **Disk space:** Required: 64 GB

CorelDRAW provides vector graphics editing for design and illustration purposes. It features tools for vector graphics, raster editing, typography, and page layout. It features color management, precise adjustments, and non-destructive editing. Useful for logos, branding, signage, and print materials. It delivers multi-page layout capabilities, workspace customization, and file support. Acclaimed for its flexibility, rapid performance, and easy interface.
