

# Detroit: Become Human - Premium Edition Rune Release Crash Fix Windows Version 2026

## Description

SHA-256 Hash-sum: 1bbc7bdca59b139e5e305782d50260e9

Updated on: 2026-06-11

- **CPU:** 8-core / 16-thread **recommended**
- **RAM:** high-speed **DDR5 memory** preferred
- **Storage:** extra room for **future DLCs** and patches
- **GPU:** RTX 4080 / RX 7900 XTX **recommended for Ultra**

Three distinct androids navigate a volatile near-future society where artificial intelligence begins developing genuine human consciousness and deep emotions. Shape an incredibly intricate, branching narrative architecture where every single moral decision dictates characters' survival or tragic

deaths. Examine a world on the brink of chaotic revolution through the eyes of a negotiator, a caretaker, and a fugitive. The cinematic experience delivers unmatched narrative freedom, forcing players to confront intense ethical dilemmas about humanity, freedom, and civil rights.
