- **Processor:** At least 1 GHz, 2 cores
- **RAM:** Enough for patching
- **Disk space:** 64 GB for unpack

Makes it easy for users to tune into their favorite radio channels directly from their desktop, owing to a sleek, intuitive design. Listening to your favorite radio stations requires very little time and effort, as tuning into your favorite station is as easy as looking it up on the web. While this is very much a viable option, some users who are more intensive with their radio consumption might understandably want to

opt for a dedicated app instead.
