Soul, an elite assassin framed for his master's death, must seek bloody vengeance with only sixty-six days left to live. This action-RPG seamlessly blends traditional Chinese Wuxia culture with dark

steampunk aesthetics to create a fast-paced "kungfupunk" universe. Engage in relentless martial arts choreography featuring precise parries, rapid-fire chained strikes, and highly cinematic finishers. Master a massive variety of weapon-driven movesets while unravelling a deadly political conspiracy that threatens to tear the entire underworld apart.
