Rip any DVD or image file with this program that offers a very intuitive interface aimed at any user willing to extract some files for other projects under development. WinX DVD Ripper Platinum is your normal neighborhood ripper, created for the extraction of files from DVDs or ISO files with the click of a button. As a result, youâ??ll not be surprised to hear this is an application centered around casual users who do not have the necessary skills to complicate themselves with more rough-around-the-edge applications.
